2009 is The Year for Softball in KW!

Dear Supporter:

Kitchener-Waterloo Minor Boys Softball Association is a city affiliated Minor Sports Organization. Begun in 1969, our goal for the past 40 years has, and continues to be,

“to provide the opportunity for youth ages 5-19 to play organized softball (fastball) in the cities of Kitchener and Waterloo at both the house-league and Rep levels in a spirit of fun, learning and respect for all participants.”

To ensure that our goal is achieved, our executive has been busy preparing for the year ahead with many new initiatives and updates to our programs of skills clinics, umpire clinics and coaches' clinics. There will be more tournaments for players of every skill level with more fun and excitement for all. We are getting ready for one of the most thrilling softball seasons ever.

KWMBSA has a proven history of keeping registration fees at levels which allow all youth in our community to participate. We work hard to keep costs down, through good management, and non-registration revenues up, through a variety of fundraising activities. But these efforts alone are not enough.

We do need your support. Here is how you can help.

Please sponsor a team for the year. Each sponsors name will be displayed on the team shirts, and the company will receive a team picture and a plaque recognizing your support. All sponsors are listed on our website and in our newsletters and we encourage all members to support our sponsors. Help us help our youth by completing and mailing to us the sponsorship card below. Our mailing address is P.O. Box 532, Station 'C', Kitchener, Ontario, N2G 4A2.
